WELCOME TO GRASSFIELD HALL

What makes the award-winning Grassfield Hall so special? Is it the rich, colourful history of the Hall, the luxurious interior, or the breathtaking views across Nidderdale? In truth, it is special for all of these reasons—and more. The love and care we have invested in restoring this beautiful house is reflected in every detail of your stay.

Grassfield Hall, a Grade II listed building, is set within 3 acres of tranquil gardens in the charming market town of Pateley Bridge. Our passion for its restoration has spanned over a decade. Drawing inspiration from the house's history, we have created a space that our guests describe as sophisticated, yet with a warm, home-from-home feel. Now that the restoration is complete, we are delighted to share this special place with you.

TESTIMONIALS

January 2026

16 of us stayed for a special birthday celebration. The house is stunning in a beautiful location. It's immaculate and decorated to a high standard. The hosts are amazing, taking care of every little detail. It truly is the most beautiful house which feels like a home and is incredibly well equipped. You couldn't want or need anything else. We loved it and you will too.

Our entire family of 15 from ages 4 to 60+ made memories of a lifetime enabled through the hospitable and absolutely breathtaking Grassfield Hall. The Hall felt like home for the week through the gracious and thoughtful touches of Lisa and Alex. Their attention to detail in outfitting Grassfield was very much contributed to our comfort and enjoyment. The walks into town, access to Nidderdale Way, Dusty Miller catering and Lisa's accessibility for whatever we needed made our visit a family experience enjoyed by absolutely everyone.
